

Hello, my name is Miss Monk and I cannot wait to be your teacher. I have worked at St Michael's Infant School for 11 years and I love it!

I have worked in Ladybird Class for the last 3 years and it is such good fun! Mrs Rushton, Mrs Hicks and I love to have fun!

I have a little boy who is 7 and half years old and is just about to start Year 3 in his school. He loves music and performing and has performed on the West End Stage. He sometimes comes in to play in our class too!

Family is so important to me and we love to adventures together.
